## LUCAS — VINCENT VAN DUYSSEN 2018

1—  
3

A series of linear seating, packed with technological and upholstery expertise that demonstrates how research and craftsmanship have always been part and parcel of the company's DNA. The sofa is distinguished by special double stitching that outlines the shape, a sophisticated tailoring detail with a clear "deco" impact. Single seat cushion, a light-weight image accentuated by the essential, airy design of the cast aluminium feet for a comfortable way of sitting in a more luxurious, welcoming and involving environment. A perfect balance between traditional and contemporary living combined with the skilful use of quality textiles or leather make Lucas a contemporary sofa where comfort is all.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
